# WiCOM 2020

WiCOM, the 16th International Conference on Wireless Communications, Networking and Mobile Computing (WiCOM 2020), is an annual conference in China since 2005. This conference was held in Wuhan, Shanghai, Dalian, Beijing, Chengdu, Guilin, Chongqing from 2005 to 2019. Each year there are 100 - 500 attendees from Asia, Europe, America, etc., and there have been quite a lot of well known experts giving plenary speeches. In 2020, WiCOM will be held in Xi'an, China from Oct. 23-25, 2020. You are

invited to submit papers/abstracts in all areas of wireless communications, networking, mobile computing and applications.

## Call for Papers

### Wireless Communications

Space-Time, MIMO and Adaptive Antennas  
OFDM, CDMA and Spread Spectrum  
Modulation, Coding and Diversity  
Signal Processing for Wireless  
Channel Model and Characterization  
Satellite & Space Communications  
Multimedia Communications  
Multiple Access Techniques

### Network Technologies

Wireless & Mobile Networking  
Wireless Sensor Networks  
Cognitive Radio Networks  
Ad Hoc, Sensor and Mesh Networking  
Next-Generation Networking and Internet  
Wireless Network Security and Privacy

### Services and Application

Emerging Wireless/Mobile Applications  
Context and Location-Aware Wireless  
Services

Wireless Telemedicine and E-Health Services  
Intelligent Transportation Systems  
RFID Technology and Application

## Publication and Presentation

**Publication:** All the accepted papers will be published by a peer-reviewed open access journal that can ensure the widest dissemination of your published work, For more information, please contact us ([seminarcfp@163.com](mailto:seminarcfp@163.com)).

**Index:** CNKI and Google Scholar
